March 20, 1979

Congressman Thomas O'Neil
Speaker of the House of Representatives
United States House of Representatives
Washington, D. C.

Speaker O'Neil:

Enclosed are copies of information concerning the F.B.I. and the House Select Committee on Assassinations.

I would like to make you, aware Speaker of the House of Representatives, aware of certain activites that the House Select Committee on Assassinations was involved in during the last year.

If you would like any additional information on this and other material I have conwerning this 18 month, five and a half million dollar fiasco, my address and phone number appear below.

I would also like your assistance in helping me getting the money (over $2000.00) that the House Select Committee on Assassinations promised to reimburse me. (Expenses encountered as informant.)
Thank you very much.

Sincerely,

Oliver Patterson
